Gift Aid It

Could you Gift Aid your donation?

If you are a UK tax payer, you can receive a minimum of 25p extra for every £1 you give, at no extra cost to you. This means that £10 can be turned into £12.50 just so long as donations are made through Gift Aid.

I would like all donations I have made for the four years prior to this and all future donations to be treated as Gift Aid until I notify you otherwise. To qualify for Gift Aid, you must pay an amount of income tax and/ or capital gains tax at least equal to the tax that the charity claims in the tax year.
