Good quality, re-saleable

## FURNITURE

required at each of our Charity Shops

### What sort of things do we take?

We take items which are of good quality, under 10 years old (except Antiques), including: dining suites, tables, chests of drawers, dressing tables, sofas and armchairs, beds (without mattresses), wardrobes, coffee tables and all sorts of wooden furniture.

### Are there any restrictions on what we will take?

Unfortunately we can no longer take electrical items. There are other items that we cannot take due to health and safety laws. For example:

- All upholstered furniture must have 'fire tags' attached. On sofas and armchairs this will read - "complies with the furniture and furnishings (fire) (safety) regulations 1988" and/or "this item does not require a schedule 3 interliner".
- Any glass larger than 21cm x 30cm (the size of an A4 sheet of paper) must be toughened or laminated. This is usually indicated by a BS kite mark or number.

### Is there a charge for collection?

Generally there is no charge for collection of donated furniture, providing it can be collected in our own vehicle. (We do, however, reserve the right to charge in exceptional circumstances)

### If you would like to donate an item of furniture. What do you have to do?

- Please call one of our charity shops or the Fundraising Office.
- We will complete a quick check list about the items you have to donate and pass the information to our Transport Co-ordinator.
- Collection department will make contact, by telephone, to establish whether the items match the criteria required for resale and if so, arrange a time to collect the items.
- Collection department operates daily, Monday to Friday, with larger furniture items collected on Wednesday or Friday. In most cases we can arrange for collection to take place at a time convenient to you between the hours of 9.30am and 4.00pm.
